NOTICE OF ASSUMPTION AND ASSIGNMENT WITH RESPECT TO CERTAIN EXECUTORY
CONTRACTS OR UNEXPIRED LEASES TO BE ASSUMED AND ASSIGNED TO GM
COMPONENTS HOLDINGS, LLC OR STEERING SOLUTIONS SERVICES CORPORATION,
AS APPLICABLE, UNDER MODIFIED PLAN OF REORGANIZATION

PLEASE TAKE NOTICE that on June 16, 2009, the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") entered an order which, among other things, (i) approved solicitation with respect to modifications to the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified (the "Modified Plan") filed by Delphi Corporation and its affiliated debtors and debtors-in-possession (the "Debtors"), (ii) approved a supplement to the disclosure statement approved by the Bankruptcy Court on December 10, 2007 (the "Supplement"), and (iii) set a final hearing date to consider approval of the Modified Plan (the "Modification Procedures Order") (Docket No. 17032), as amended and supplemented by the Supplemental Modification Procedures Order entered by the Bankruptcy Court on June 29, 2009 (Docket No. 17376).

The Modified Plan provides that all executory contracts and unexpired leases as to which any Debtor is a party shall be deemed automatically assumed in accordance with the provisions and requirements of sections 365 and 1123 of chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code") as of the Effective Date (as defined in the Modified Plan), unless such executory contracts or unexpired leases (i) shall have been previously rejected by the Debtors by final order of the Bankruptcy Court, (ii) shall be the subject of a motion to reject, or that otherwise authorizes rejection, filed on or before the date of entry of an order approving the Modified Plan, (iii) shall be rejected or assumed pursuant to a motion to sell or transfer property or assets filed by the Debtors prior to the Effective Date pursuant to their own terms, (iv) shall have expired or terminated on or prior to the Effective Date (and not otherwise extended) pursuant to their own terms, (v) are listed on the schedule of rejected contracts attached as Exhibit 8.1(a)—Rejected Contracts to the Modified Plan, or (vi) are otherwise rejected pursuant to the terms of the Modified Plan and/or upon the direction of either Buyer (as defined in the Modified Plan) pursuant to the Master Disposition Agreement.

In accordance with the Modification Procedures Order, the Debtors hereby provide notice that the contract(s) listed on Schedule 1 and/or to the extent not listed on Schedule 1, the contracts related to the business conducted at the manufacturing facilities identified on Schedule 2, attached hereto as applicable, (the "GM Assumed Contracts") will be assumed by the Debtors and assigned to GM Components Holdings, LLC ("GM Components") or Steering Solutions Services Corporation (and together with GM Components, the "GM Buyers" or each a "GM Buyer"), as applicable, as provided in the Modified Plan and the Supplement.

PLEASE TAKE FURTHER NOTICE that in accordance with this Court's prior orders in connection with confirmation of the Debtors' plan and pursuant to the Modification Procedures Order, unless otherwise noted on Schedules 1 and/or 2, non-Debtor counterparties to GM Assumed Contracts shall be entitled to recover only the Cure¹ amounts as listed on Schedules 1 and/or 2 hereto, unless otherwise noted, which Cure amounts have been previously established pursuant to the procedures in the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified on January 25, 2008 (the "Confirmed Plan"), and the December 10, 2007 Solicitation Procedures Order (Docket No. 11389) (the "December 10 Solicitation Procedures Order") and as may be modified pursuant to the procedures set forth in the Modification Procedures Order, or such lower amount as may be agreed to by the Debtors, the applicable counterparty, and the applicable buyer and shall be barred and enjoined from asserting at the hearing to consider approval of the Modified Plan (the "Final Modification Hearing") or otherwise that any other amounts are owing on account of any prepetition default. Pursuant to the Modified Plan, the applicable GM Buyer, rather than the Debtors, will be responsible to pay the necessary amounts to cure any defaults under these contracts. Cure amounts, if any, shall only be paid to the non-Debtor counterparty to such GM Assumed Contracts. Unless otherwise noted in Schedules 1 and/or 2, a non-Debtor counterparty to a GM Assumed Contract only has the right to object to the adequate assurance of future performance by the applicable GM Buyer. In addition, should a non-Debtor counterparty to a GM Assumed Contract assert that a postpetition default exists which must be cured pursuant to section 365 of the Bankruptcy Code, such counterparty must file an objection as set forth below.

PLEASE TAKE FURTHER NOTICE THAT objections, if any, to the assumption and assignment of a GM Assumed Contract, including objections asserting the existence of a postpetition default that must be cured under section 365 of the Bankruptcy Code, must (a) be in writing, (b) state with specificity the reasons for such objection, (c) conform to the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules for the Southern District of New York, and the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. NOTICE OF ASSUMPTION AND ASSIGNMENT WITH RESPECT TO CERTAIN EXECUTORY
CONTRACTS OR UNEXPIRED LEASES TO BE ASSUMED AND ASSIGNED TO PARNASSUS
HOLDINGS II, LLC UNDER MODIFIED PLAN OF REORGANIZATION

PLEASE TAKE NOTICE that on June 16, 2009, the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") entered an order which, among other things, (i) approved solicitation with respect to modifications to the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified (the "Modified Plan") filed by Delphi Corporation and its affiliated debtors and debtors-in-possession (the "Debtors"), (ii) approved a related supplement to the disclosure statement approved by the Bankruptcy Court on December 10, 2007 (the "Supplement"), and (iii) set a final hearing date to consider approval of the Modified Plan (the "Modification Procedures Order") (Docket No. 17032), as amended and supplemented by the Supplemental Modification Procedures Order entered by the Bankruptcy Court on June 29, 2009 (Docket No. 17376).

The Modified Plan provides that all executory contracts and unexpired leases as to which any Debtor is a party shall be deemed automatically assumed in accordance with the provisions and requirements of sections 365 and 1123 of chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code") as of the Effective Date (as defined in the Modified Plan), unless such executory contracts or unexpired leases (i) shall have been previously rejected by the Debtors by final order of the Bankruptcy Court, (ii) shall be the subject of a motion to reject, or that otherwise authorizes rejection, filed on or before the date of entry of an order approving the Modified Plan, (iii) shall be rejected or assumed pursuant to a motion to sell or transfer property or assets filed by the Debtors prior to the Effective Date pursuant to their own terms, (iv) shall have expired or terminated on or prior to the Effective Date (and not otherwise extended) pursuant to their own terms, (v) are listed on the schedule of rejected contracts attached as Exhibit 8.1(a)—Rejected Contracts to the Modified Plan, or (vi) are otherwise rejected pursuant to the terms of the Modified Plan and/or upon the direction of either Buyer (as defined in the Modified Plan) pursuant to the Master Disposition Agreement.

In accordance with the Modification Procedures Order, the Debtors hereby provide notice that the contract(s) listed on Schedule 1 and/or, to the extent not listed on Schedule 1, the contracts related to the business conducted at the manufacturing facilities identified on Schedule 2, attached hereto as applicable, will be assumed by the Debtors and assigned to the Parnassus Holdings II, LLC ("Parnassus") (the "Parnassus Assumed Contracts"), as provided in the Modified Plan and the Supplement.

PLEASE TAKE FURTHER NOTICE that in accordance with this Court's prior orders in connection with confirmation of the Debtors' plan and pursuant to the Modification Procedures Order, non-Debtor counterparties to Parnassus Assumed Contracts shall be entitled to recover only the Cure¹ amounts as listed on Schedules 1 and/or 2 hereto, unless otherwise noted, which Cure amounts have been previously established pursuant to the procedures in the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified on January 25, 2008 (the "Confirmed Plan"), and the December 10, 2007 Solicitation Procedures Order (Docket No. 11389) (the "December 10 Solicitation Procedures Order") and as may be modified pursuant to the procedures set forth in the Modification Procedures Order, or such lower amount as may be agreed to by the Debtors, the applicable counterparty, and Parnassus and shall be barred and enjoined from asserting at the hearing to consider approval of the Modified Plan (the "Final Modification Hearing") or otherwise that any other amounts are owing on account of any prepetition default. Pursuant to the Modified Plan, Parnassus, rather than the Debtors, will be responsible to pay the necessary amounts to cure any defaults under these contracts. Cure amounts, if any, shall only be paid to the non-Debtor counterparty to such Parnassus Assumed Contracts. Unless otherwise noted in Schedules 1 and/or 2, a non-Debtor counterparty to a Parnassus Assumed Contract only has the right to object to the adequate assurance of future performance by Parnassus. In addition, should a non-Debtor counterparty to a Parnassus Assumed Contract assert that a postpetition default exists which must be cured pursuant to section 365 of the Bankruptcy Code, such counterparty must file an objection as set forth below.

PLEASE TAKE FURTHER NOTICE THAT objections, if any, to the assumption and assignment of a Parnassus Assumed Contract, including objections asserting the existence of a postpetition default that must be cured under section 365 of the Bankruptcy Code, must (a) be in writing, (b) state with specificity the reasons for such objection, (c) conform to the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules for the Southern District of New York, and the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. P. 2002(m), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures, entered May 1, 2009 (Docket No. 16589), (d) be filed with the Bankruptcy Court in accordance with General Order M-242 (as amended) – registered users of the Bankruptcy Court's case filing system must file electronically, and all other parties-in-interest must file on a 3.5 inch disk (preferably in Portable Document Format (PDF), WordPerfect, or any other Windows-based word processing format), (e) be submitted in hard-copy form directly to the chambers of the Honorable Robert D. Drain, United States Bankruptcy Judge, United States Bankruptcy Court for the Southern District of New York, One Bowling Green, Room 632, New York, New York 10004, and (f) be served in hard-copy form so that it is actually received within ten days after the date of service of this notice by (i) Delphi Corporation, 5725 Delphi Drive, Troy, Michigan 48098 (Att'n: General Counsel), (ii) counsel to the Debtors, Skadden, Arps, Slate,

¹ As set forth in Article 1.40 of the Modified Plan, "Cure" means the payment or other honoring of all obligations required to be paid or honored in connection with assumption of an executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code, including (a) the cure of any non-monetary defaults to the extent required, if at all, pursuant to section 365 of the Bankruptcy Code, and (b) with respect to monetary defaults, the distribution within a reasonable period of time following the Effective Date of Cash, or such other property as may be agreed upon by the parties or ordered by the Bankruptcy Court, with respect to the assumption (or assumption and assignment) of an executory contract or unexpired lease, pursuant to section 365(b) of the Bankruptcy Code, in an amount equal to all undisputed, unpaid, and past due monetary obligations or such lesser amount as may be agreed upon by the parties, under such executory contract or unexpired lease, to the extent such obligations are enforceable under the Bankruptcy Code and applicable non-bankruptcy law.

AS APPLICABLE, UNDER MODIFIED PLAN OF REORGANIZATION

PLEASE TAKE NOTICE that on June 16, 2009, the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") entered an order which, among other things, (i) approved solicitation with respect to modifications to the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified (the "Modified Plan") filed by Delphi Corporation and its affiliated debtors and debtors-in-possession (the "Debtors"), (ii) approved a supplement to the disclosure statement approved by the Bankruptcy Court on December 10, 2007 (the "Supplement"), and (iii) set a final hearing date to consider approval of the Modified Plan (the "Modification Procedures Order") (Docket No. 17032), as amended and supplemented by the Supplemental Modification Procedures Order entered by the Bankruptcy Court on June 29, 2009 (Docket No. 17376).

The Modified Plan provides that all executory contracts and unexpired leases as to which any Debtor is a party shall be deemed automatically assumed in accordance with the provisions and requirements of sections 365 and 1123 of chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code") as of the Effective Date (as defined in the Modified Plan), unless such executory contracts or unexpired leases (i) shall have been previously rejected by the Debtors by final order of the Bankruptcy Court, (ii) shall be the subject of a motion to reject, or that otherwise authorizes rejection, filed on or before the date of entry of an order approving the Modified Plan, (iii) shall be rejected or assumed pursuant to a motion to sell or transfer property or assets filed by the Debtors prior to the Effective Date pursuant to their own terms, (iv) shall have expired or terminated on or prior to the Effective Date (and not otherwise extended) pursuant to their own terms, (v) are listed on the schedule of rejected contracts attached as Exhibit 8.1(a)—Rejected Contracts to the Modified Plan, or (vi) are otherwise rejected pursuant to the terms of the Modified Plan and/or upon the direction of either Buyer (as defined in the Modified Plan) pursuant to the Master Disposition Agreement.

In accordance with the Modification Procedures Order, the Debtors hereby provide notice that the contract(s) listed on Schedule 1 and/or to the extent not listed on Schedule 1, the contracts related to the business conducted at the manufacturing facilities identified on Schedule 2, attached hereto as applicable, (the "GM Assumed Contracts") will be assumed by the Debtors and assigned to GM Components Holdings, LLC ("GM Components") or Steering Solutions Services Corporation (and together with GM Components, the "GM Buyers" or each a "GM Buyer"), as applicable, as provided in the Modified Plan and the Supplement.

PLEASE TAKE FURTHER NOTICE that in accordance with this Court's prior orders in connection with confirmation of the Debtors' plan and pursuant to the Modification Procedures Order, unless otherwise noted on Schedules 1 and/or 2, non-Debtor counterparties to GM Assumed Contracts shall be entitled to recover only the Cure¹ amounts as listed on Schedules 1 and/or 2 hereto, unless otherwise noted, which Cure amounts have been previously established pursuant to the procedures in the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified on January 25, 2008 (the "Confirmed Plan"), and the December 10, 2007 Solicitation Procedures Order (Docket No. 11389) (the "December 10 Solicitation Procedures Order") and as may be modified pursuant to the procedures set forth in the Modification Procedures Order, or such lower amount as may be agreed to by the Debtors, the applicable counterparty, and the applicable buyer and shall be barred and enjoined from asserting at the hearing to consider approval of the Modified Plan (the "Final Modification Hearing") or otherwise that any other amounts are owing on account of any prepetition default. Pursuant to the Modified Plan, the applicable GM Buyer, rather than the Debtors, will be responsible to pay the necessary amounts to cure any defaults under these contracts. Cure amounts, if any, shall only be paid to the non-Debtor counterparty to such GM Assumed Contracts. Unless otherwise noted in Schedules 1 and/or 2, a non-Debtor counterparty to a GM Assumed Contract only has the right to object to the adequate assurance of future performance by the applicable GM Buyer. In addition, should a non-Debtor counterparty to a GM Assumed Contract assert that a postpetition default exists which must be cured pursuant to section 365 of the Bankruptcy Code, such counterparty must file an objection as set forth below.

PLEASE TAKE FURTHER NOTICE THAT objections, if any, to the assumption and assignment of a GM Assumed Contract, including objections asserting the existence of a postpetition default that must be cured under section 365 of the Bankruptcy Code, must (a) be in writing, (b) state with specificity the reasons for such objection, (c) conform to the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules for the Southern District of New York, and the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. The Modified Plan provides that all executory contracts and unexpired leases as to which any Debtor is a party shall be deemed automatically assumed in accordance with the provisions and requirements of sections 365 and 1123 of chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code") as of the Effective Date (as defined in the Modified Plan), unless such executory contracts or unexpired leases (i) shall have been previously rejected by the Debtors by final order of the Bankruptcy Court, (ii) shall be the subject of a motion to reject, or that otherwise authorizes rejection, filed on or before the date of entry of an order approving the Modified Plan, (iii) shall be rejected or assumed pursuant to a motion to sell or transfer property or assets filed by the Debtors prior to the Effective Date pursuant to their own terms, (iv) shall have expired or terminated on or prior to the Effective Date (and not otherwise extended) pursuant to their own terms, (v) are listed on the schedule of rejected contracts attached as Exhibit 8.1(a)—Rejected Contracts to the Modified Plan, or (vi) are otherwise rejected pursuant to the terms of the Modified Plan and/or upon the direction of either Buyer (as defined in the Modified Plan) pursuant to the Master Disposition Agreement.

In accordance with the Modification Procedures Order, the Debtors hereby provide notice that the contract(s) listed on Schedule 1 and/or, to the extent not listed on Schedule 1, the contracts related to the business conducted at the manufacturing facilities identified on Schedule 2, attached hereto as applicable, will be assumed by the Debtors and assigned to the Parnassus Holdings II, LLC ("Parnassus") (the "Parnassus Assumed Contracts"), as provided in the Modified Plan and the Supplement.

PLEASE TAKE FURTHER NOTICE that in accordance with this Court's prior orders in connection with confirmation of the Debtors' plan and pursuant to the Modification Procedures Order, non-Debtor counterparties to Parnassus Assumed Contracts shall be entitled to recover only the Cure¹ amounts as listed on Schedules 1 and/or 2 hereto, unless otherwise noted, which Cure amounts have been previously established pursuant to the procedures in the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified on January 25, 2008 (the "Confirmed Plan"), and the December 10, 2007 Solicitation Procedures Order (Docket No. 11389) (the "December 10 Solicitation Procedures Order") and as may be modified pursuant to the procedures set forth in the Modification Procedures Order, or such lower amount as may be agreed to by the Debtors, the applicable counterparty, and Parnassus and shall be barred and enjoined from asserting at the hearing to consider approval of the Modified Plan (the "Final Modification Hearing") or otherwise that any other amounts are owing on account of any prepetition default. Pursuant to the Modified Plan, Parnassus, rather than the Debtors, will be responsible to pay the necessary amounts to cure any defaults under these contracts. Cure amounts, if any, shall only be paid to the non-Debtor counterparty to such Parnassus Assumed Contracts. Unless otherwise noted in Schedules 1 and/or 2, a non-Debtor counterparty to a Parnassus Assumed Contract only has the right to object to the adequate assurance of future performance by Parnassus. In addition, should a non-Debtor counterparty to a Parnassus Assumed Contract assert that a postpetition default exists which must be cured pursuant to section 365 of the Bankruptcy Code, such counterparty must file an objection as set forth below.

PLEASE TAKE FURTHER NOTICE THAT objections, if any, to the assumption and assignment of a Parnassus Assumed Contract, including objections asserting the existence of a postpetition default that must be cured under section 365 of the Bankruptcy Code, must (a) be in writing, (b) state with specificity the reasons for such objection, (c) conform to the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules for the Southern District of New York, and the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. Drain, United States Bankruptcy Judge, United States Bankruptcy Court for the Southern District of New York, One Bowling Green, Room 632, New York, New York 10004, and (f) be served in hard-copy form so that it is actually received within ten days after the date of service of this notice by (i) Delphi Corporation, 5725 Delphi Drive, Troy, Michigan 48098 (Att'n: General Counsel), (ii) counsel to the Debtors, Skadden, Arps, Slate,

¹ As set forth in Article 1.40 of the Modified Plan, "Cure" means the payment or other honoring of all obligations required to be paid or honored in connection with assumption of an executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code, including (a) the cure of any non-monetary defaults to the extent required, if at all, pursuant to section 365 of the Bankruptcy Code, and (b) with respect to monetary defaults, the distribution within a reasonable period of time following the Effective Date of Cash, or such other property as may be agreed upon by the parties or ordered by the Bankruptcy Court, with respect to the assumption (or assumption and assignment) of an executory contract or unexpired lease, pursuant to section 365(b) of the Bankruptcy Code, in an amount equal to all undisputed, unpaid, and past due monetary obligations or such lesser amount as may be agreed upon by the parties, under such executory contract or unexpired lease, to the extent such obligations are enforceable under the Bankruptcy Code and applicable non-bankruptcy law.

**CORRECTED NOTICE OF ASSUMPTION AND ASSIGNMENT WITH RESPECT TO CERTAIN
EXECUTORY CONTRACTS OR UNEXPIRED LEASES TO BE ASSUMED AND ASSIGNED TO
PARNASSUS HOLDINGS II, LLC UNDER MODIFIED PLAN OF REORGANIZATION**

**This Corrected Notice replaces the Notice of Assumption and Assignment mailed on July
10, 2009 with respect to executory contracts and unexpired leases to be assumed and
assigned to Parnassus Holdings II, LLC**

PLEASE TAKE NOTICE that on June 16, 2009, the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") entered an order which, among other things, (i) approved solicitation with respect to modifications to the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified (the "Modified Plan") filed by Delphi Corporation and its affiliated debtors and debtors-in-possession (the "Debtors"), (ii) approved a related supplement to the disclosure statement approved by the Bankruptcy Court on December 10, 2007 (the "Supplement"), and (iii) set a final hearing date to consider approval of the Modified Plan (the "Modification Procedures Order") (Docket No. 17032), as amended and supplemented by the Supplemental Modification Procedures Order entered by the Bankruptcy Court on June 29, 2009 (Docket No. 17376).

The Modified Plan provides that all executory contracts and unexpired leases as to which any Debtor is a party shall be deemed automatically assumed in accordance with the provisions and requirements of sections 365 and 1123 of chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code") as of the Effective Date (as defined in the Modified Plan), unless such executory contracts or unexpired leases (i) shall have been previously rejected by the Debtors by final order of the Bankruptcy Court, (ii) shall be the subject of a motion to reject, or that otherwise authorizes rejection, filed on or before the date of entry of an order approving the Modified Plan, (iii) shall be rejected or assumed pursuant to a motion to sell or transfer property or assets filed by the Debtors prior to the Effective Date pursuant to their own terms, (iv) shall have expired or terminated on or prior to the Effective Date (and not otherwise extended) pursuant to their own terms, (v) are listed on the schedule of rejected contracts attached as Exhibit 8.1(a)—Rejected Contracts to the Modified Plan, or (vi) are otherwise rejected pursuant to the terms of the Modified Plan and/or upon the direction of either Buyer (as defined in the Modified Plan) pursuant to the Master Disposition Agreement.

In accordance with the Modification Procedures Order, the Debtors hereby provide notice that the contract(s) listed on Schedule 1 and/or, to the extent not listed on Schedule 1, the contracts related to the business conducted at the manufacturing facilities identified on Schedule 2, attached hereto as applicable, will be assumed by the Debtors and assigned to the Parnassus Holdings II, LLC ("Parnassus") (the "Parnassus Assumed Contracts"), as provided in the Modified Plan and the Supplement.

PLEASE TAKE FURTHER NOTICE that in accordance with this Court's prior orders in connection with confirmation of the Debtors' plan and pursuant to the Modification Procedures Order, non-Debtor counterparties to Parnassus Assumed Contracts shall be entitled to recover only the Cure¹ amounts as listed on Schedules 1 and/or 2 hereto, unless otherwise noted, which Cure amounts have been previously established pursuant to the procedures in the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified on January 25, 2008 (the "Confirmed Plan"), and the December 10, 2007 Solicitation Procedures Order (Docket No. 11389) (the "December 10 Solicitation Procedures Order") and as may be modified pursuant to the procedures set forth in the Modification Procedures Order, or such lower amount as may be agreed to by the Debtors, the applicable counterparty, and Parnassus and shall be barred and enjoined from asserting at the hearing to consider approval of the Modified Plan (the "Final Modification Hearing") or otherwise that any other amounts are owing on account of any prepetition default. Pursuant to the Modified Plan, Parnassus, rather than the Debtors, will be responsible to pay the necessary amounts to cure any defaults under these contracts. Cure amounts, if any, shall only be paid to the non-Debtor counterparty to such Parnassus Assumed Contracts. Unless otherwise noted in Schedules 1 and/or 2, a non-Debtor counterparty to a Parnassus Assumed Contract only has the right to object to the adequate assurance of future performance by Parnassus. In addition, should a non-Debtor counterparty to a Parnassus Assumed Contract assert that a postpetition default exists which must be cured pursuant to section 365 of the Bankruptcy Code, such counterparty must file an objection as set forth below.

NOTICE OF ASSUMPTION AND ASSIGNMENT WITH RESPECT TO CERTAIN EXECUTORY
CONTRACTS OR UNEXPIRED LEASES TO BE ASSUMED AND ASSIGNED TO PARNASSUS
HOLDINGS II, LLC UNDER MODIFIED PLAN OF REORGANIZATION

PLEASE TAKE NOTICE that on June 16, 2009, the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") entered an order which, among other things, (i) approved solicitation with respect to modifications to the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified (the "Modified Plan") filed by Delphi Corporation and its affiliated debtors and debtors-in-possession (the "Debtors"), (ii) approved a related supplement to the disclosure statement approved by the Bankruptcy Court on December 10, 2007 (the "Supplement"), and (iii) set a final hearing date to consider approval of the Modified Plan (the "Modification Procedures Order") (Docket No. 17032), as amended and supplemented by the Supplemental Modification Procedures Order entered by the Bankruptcy Court on June 29, 2009 (Docket No. 17376).

The Modified Plan provides that all executory contracts and unexpired leases as to which any Debtor is a party shall be deemed automatically assumed in accordance with the provisions and requirements of sections 365 and 1123 of chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code") as of the Effective Date (as defined in the Modified Plan), unless such executory contracts or unexpired leases (i) shall have been previously rejected by the Debtors by final order of the Bankruptcy Court, (ii) shall be the subject of a motion to reject, or that otherwise authorizes rejection, filed on or before the date of entry of an order approving the Modified Plan, (iii) shall be rejected or assumed pursuant to a motion to sell or transfer property or assets filed by the Debtors prior to the Effective Date pursuant to their own terms, (iv) shall have expired or terminated on or prior to the Effective Date (and not otherwise extended) pursuant to their own terms, (v) are listed on the schedule of rejected contracts attached as Exhibit 8.1(a)—Rejected Contracts to the Modified Plan, or (vi) are otherwise rejected pursuant to the terms of the Modified Plan and/or upon the direction of either Buyer (as defined in the Modified Plan) pursuant to the Master Disposition Agreement.

In accordance with the Modification Procedures Order, the Debtors hereby provide notice that the contract(s) listed on Schedule 1 and/or, to the extent not listed on Schedule 1, the contracts related to the business conducted at the manufacturing facilities identified on Schedule 2, attached hereto as applicable, will be assumed by the Debtors and assigned to the Parnassus Holdings II, LLC ("Parnassus") (the "Parnassus Assumed Contracts"), as provided in the Modified Plan and the Supplement.

PLEASE TAKE FURTHER NOTICE that in accordance with this Court's prior orders in connection with confirmation of the Debtors' plan and pursuant to the Modification Procedures Order, non-Debtor counterparties to Parnassus Assumed Contracts shall be entitled to recover only the Cure¹ amounts as listed on Schedules 1 and/or 2 hereto, unless otherwise noted, which Cure amounts have been previously established pursuant to the procedures in the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession, as modified on January 25, 2008 (the "Confirmed Plan"), and the December 10, 2007 Solicitation Procedures Order (Docket No. 11389) (the "December 10 Solicitation Procedures Order") and as may be modified pursuant to the procedures set forth in the Modification Procedures Order, or such lower amount as may be agreed to by the Debtors, the applicable counterparty, and Parnassus and shall be barred and enjoined from asserting at the hearing to consider approval of the Modified Plan (the "Final Modification Hearing") or otherwise that any other amounts are owing on account of any prepetition default. Pursuant to the Modified Plan, Parnassus, rather than the Debtors, will be responsible to pay the necessary amounts to cure any defaults under these contracts. Cure amounts, if any, shall only be paid to the non-Debtor counterparty to such Parnassus Assumed Contracts. Unless otherwise noted in Schedules 1 and/or 2, a non-Debtor counterparty to a Parnassus Assumed Contract only has the right to object to the adequate assurance of future performance by Parnassus. In addition, should a non-Debtor counterparty to a Parnassus Assumed Contract assert that a postpetition default exists which must be cured pursuant to section 365 of the Bankruptcy Code, such counterparty must file an objection as set forth below.

PLEASE TAKE FURTHER NOTICE THAT objections, if any, to the assumption and assignment of a Parnassus Assumed Contract, including objections asserting the existence of a postpetition default that must be cured under section 365 of the Bankruptcy Code, must (a) be in writing, (b) state with specificity the reasons for such objection, (c) conform to the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules for the Southern District of New York, and the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. Drain, United States Bankruptcy Judge, United States Bankruptcy Court for the Southern District of New York, One Bowling Green, Room 632, New York, New York 10004, and (f) be served in hard-copy form so that it is actually received within ten days after the date of service of this notice by (i) Delphi Corporation, 5725 Delphi Drive, Troy, Michigan 48098 (Att'n: General Counsel), (ii) counsel to the Debtors, Skadden, Arps, Slate,
